1. The first step is to identify the variables involved in the problem. In this case, the variables are the number of hours worked (H) and the number of hours of leisure (L). The total number of hours available is 24, so we have the constraint $H + L = 24$.

2. The second step is to write down the objective function. The goal is to maximize utility, which is represented by the function $U(H, L) = H^{\alpha} L^{\beta}$, where α and β are parameters.

3. The third step is to set up the Lagrangian function. This is done by combining the objective function and the constraint using a Lagrange multiplier λ . The Lagrangian function is $\mathcal{L}(H, L, \lambda) = H^{\alpha} L^{\beta} - \lambda(H + L - 24)$.

4. The fourth step is to take the first-order conditions (FOCs) of the Lagrangian function. These are the partial derivatives of \mathcal{L} with respect to H , L , and λ , set equal to zero.

5. The fifth step is to solve the FOCs for the optimal values of H and L . This involves solving a system of equations.

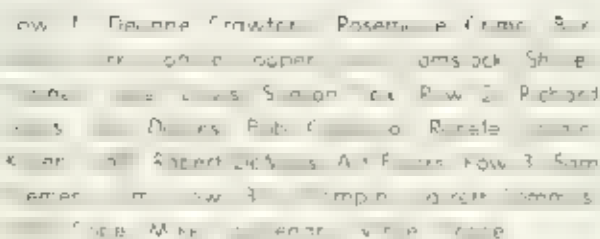

6. The sixth step is to check the second-order conditions (SOCs) to ensure that the solution is a maximum. This is done by checking the Hessian matrix of the Lagrangian function.

7. The final step is to interpret the results. The optimal values of H and L represent the number of hours worked and the number of hours of leisure, respectively, that maximize utility given the constraint.

The dates are: "1810", "1811", "1812", "1813", "1814", "1815", "1816", "1817", "1818", "1819", "1820", "1821", "1822", "1823", "1824", "1825", "1826", "1827", "1828", "1829", "1830", "1831", "1832", "1833", "1834", "1835", "1836", "1837", "1838", "1839", "1840", "1841", "1842", "1843", "1844", "1845", "1846", "1847", "1848", "1849", "1850", "1851", "1852", "1853", "1854", "1855", "1856", "1857", "1858", "1859", "1860", "1861", "1862", "1863", "1864", "1865", "1866", "1867", "1868", "1869", "1870", "1871", "1872", "1873", "1874", "1875", "1876", "1877", "1878", "1879", "1880", "1881", "1882", "1883", "1884", "1885", "1886", "1887", "1888", "1889", "1890", "1891", "1892", "1893", "1894", "1895", "1896", "1897", "1898", "1899", "1900".

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that the study of history is essential for understanding the present and for shaping the future. The author emphasizes that history is not just a collection of facts, but a way of thinking about the world.

2. The second part of the paper discusses the role of the government in the United States. It is argued that the government is responsible for protecting the rights of its citizens and for promoting the general welfare. The author emphasizes that the government is not just a collection of officials, but a way of organizing society.

3. The third part of the paper discusses the role of the individual in the United States. It is argued that the individual is responsible for his or her own actions and for the well-being of his or her community. The author emphasizes that the individual is not just a collection of desires, but a way of living.

4. The fourth part of the paper discusses the role of the future in the United States. It is argued that the future is not just a collection of possibilities, but a way of thinking about the world. The author emphasizes that the future is not just a collection of facts, but a way of thinking about the world.

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that the study of history is essential for a full understanding of the present and for the development of a sense of national identity.

During the first-semester Cabinet's term, plans for a successful season began with a flourish and gave students many activities in which to engage. Many long hours were spent in planning and decorating for the Backward Dance which was the highlight of the Cabinet's term. The budget, next on the agenda, appropriated money for various school activities such as laying aside money for the Dance Recital, School Plays, Explosion, Stylus School Publicity, etc. Several issues that were brought up during the course of the semester were also debated upon by the capable Cabinet.

California Scholastic Federation . .

The Honor Society of GHS under the supervision of Mrs. Phyllis Edwards is Chapter 112 of the California Scholarship Federation. Any Senior who has been a member of the Honor Society for four semesters, one of them in his Senior year, has the honor of becoming a life member of the CSF. Besides having their regular meetings, an Honor Society Banquet was enjoyed by all members.

PRESENTING THE 1957 STYLUS STAFF

As the lens of the camera saw all, the staffers combined their efforts to produce this year's edition.

The Stylus Staff is made up of two main divisions, the photographers and the editorial staff. The photographers provided photographic coverage of all sports and social activities, under the supervision of Mr. Bill Graham, Faculty Advisor and Director of Photography. The editorial staff wrote, threw out, and re-wrote all copy with the aid of Joanie Spelgatti, Editor-in-Chief. As the final page was completed, a sigh of relief came from Room 315.

DEADLINES AND HEADLINES, the constant worry of the publication staff, were experienced by Explosion II. Rosemary George, Editor-in-Chief, supervised the second semester's staff and helped them overcome ever-rising problems. Aside from the duties of preparing the weekly paper, the staff attended a contest at Westchester High School sponsored by the Los Angeles Examiner in which they placed second.

Civinettes

As a service to the community the Civinettes and Civitans support and promote fund raising projects to help those in need.

Civitans

Glenettes

Glenettes provide efficient ushering service for all the plays, musicals and other performances given at GHS.

This smiling Glenette is handing out programs.

One student is being shown the best way to go—out!

49'ers

49'ers also extend to all students a daily service by reminding them to enjoy their lunch outside and not in the halls.

Red Cross

The Junior Red Cross, affiliated with the national organization, participates through the school in promoting a healthy atmosphere for all peoples. Food and clothing are essential needs supplied through the help and co-operation of the Junior Red Cross members. In their yearly drive, they collect games and small useful items to be distributed to the children throughout the world.

Key Club

Expressing ideas of brotherhood and service, the Key Club, internationally sponsored by the Kiwanis, is a service club to the school and the community. Besides delivering the packages for the poor at Christmas, they sponsored several speakers for a vocational guidance program.

P. A. Crew

The P.A. Crew of Glendale High, under the supervision of Mr. Lawrence, is very important in the Glendale Unified School District. As repair center, they are responsible for the maintenance of the Public Address equipment of the District schools. They also are in charge of the microphones, projectors, recorders, and other miscellaneous equipment for assemblies, music at noon, and the films in classes.

Library Aides

Practical experience in the library is available for girls who join library aids. Upon completion of the three-week training period the girls then advance to the desk where they assist in processing books, straightening shelves, sending out notices of overdue books and other responsibilities of this nature.

Stage Crew

The Stage Crew is a credit to GHS. These boys put in many after school hours building sets and arranging lighting for plays, dances, recitals and music production. During the stage production they have charge of raising and lowering the curtains and changing the scenery promptly.

Scribblers

Besides sponsoring the 4-Arts Program, the Scribblers put out an annual booklet in which they displayed literature written by GHS students. It is the purpose of this club to promote an interest in writing and writing techniques.

Orators

Under the direction of Miss Mary Ann O'Brien the Orators, until now a dormant club at GHS were more active this year. Besides having occasional debates, the Orators took part in the Redlands Tournament. To encourage students who have speaking ability is the purpose of this club.

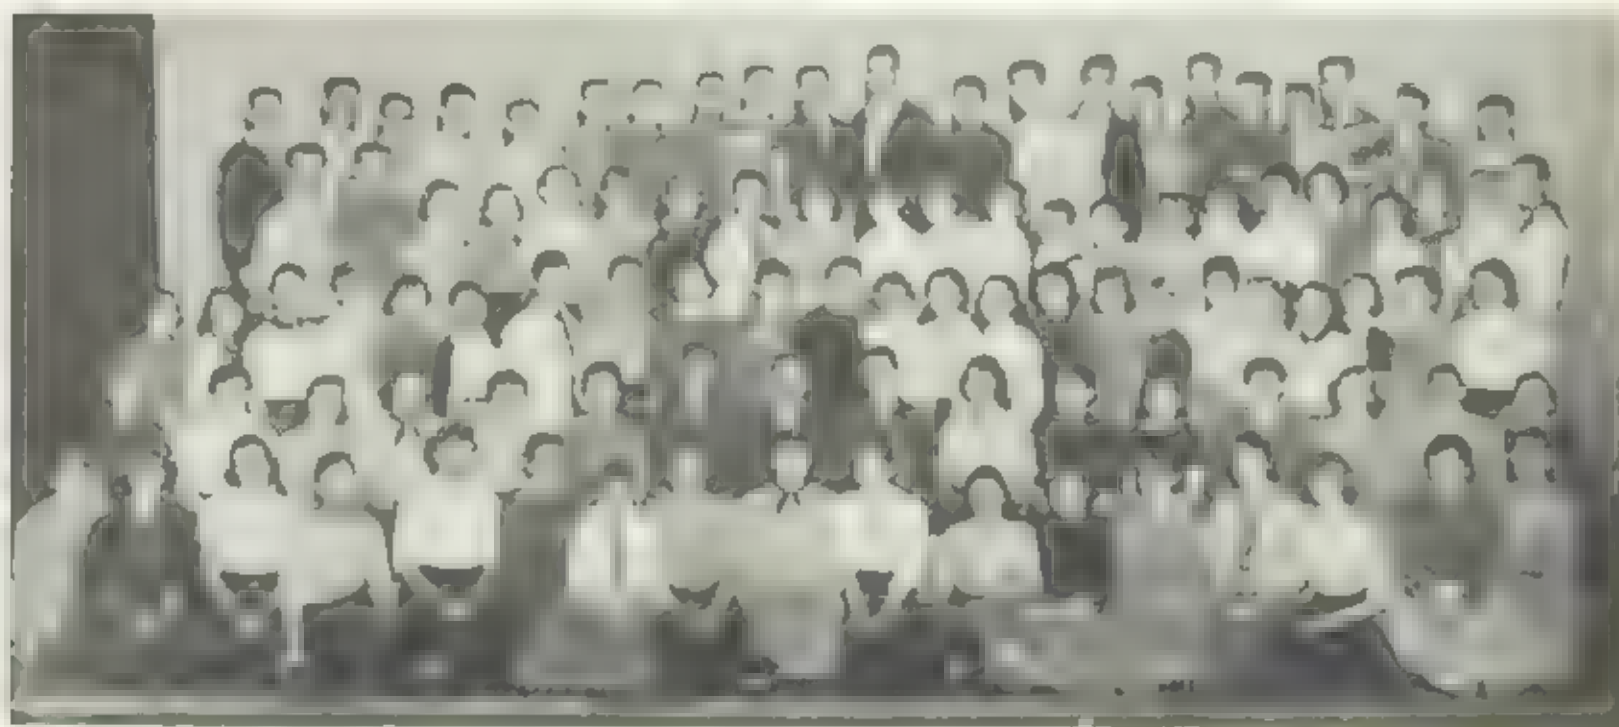

Thespians

To promote the continuation of dramatic arts in high school is the purpose of Thespians. In order to join this club, one must have 100 hours of backstage work. Capably led by Mary Woodbridge, President I; Gayle Hootman, President II, and advisors, Miss Marion Underwood and Mr. Joseph Waddington, the club went on many excursions to see various plays and participated in interschool dramatic competition.

Junior Statesman

Both the Jr. Statesmen and the Future Teachers provide active participation for students to become more alert to tomorrow — their future.

Future Teachers

French Club

Movies, spoken in the French language, French music, and a Christmas program given in French by club members were among the activities of the French Club, led by president, Emily Shochat and advisor, Mrs. Sobelle this year. These projects give the club members, second and third year French students, a chance to practice the language.

*¡Feliz año nuevo un buen año para
nosotros. Especialmente el quinto año.
Espero que el año próximo y
que tengamos una suerte para siempre.
Siempre tuyo,
Bob.*

Spanish Club

A good opportunity to practice Spanish is offered to third and fourth year Spanish students by the Spanish Club under the leadership of Anne Culling, President, and Miss Manetta, advisor. Under their guidance, students have a chance to play Spanish games, listen to and sing Spanish songs, and have movies and speakers on Spain, Mexico and other interesting subjects.

Latin Club

A Roman toga is modeled by Sandy Barondess

Mrs. Charlotte Aseltine, Latin teacher, is the advisor of the Latin Club at GHS. Movies, lectures, and a Latin Club party were among the activities of the club this year. The purpose of the club is to further the knowledge of Rome and the Latin Language

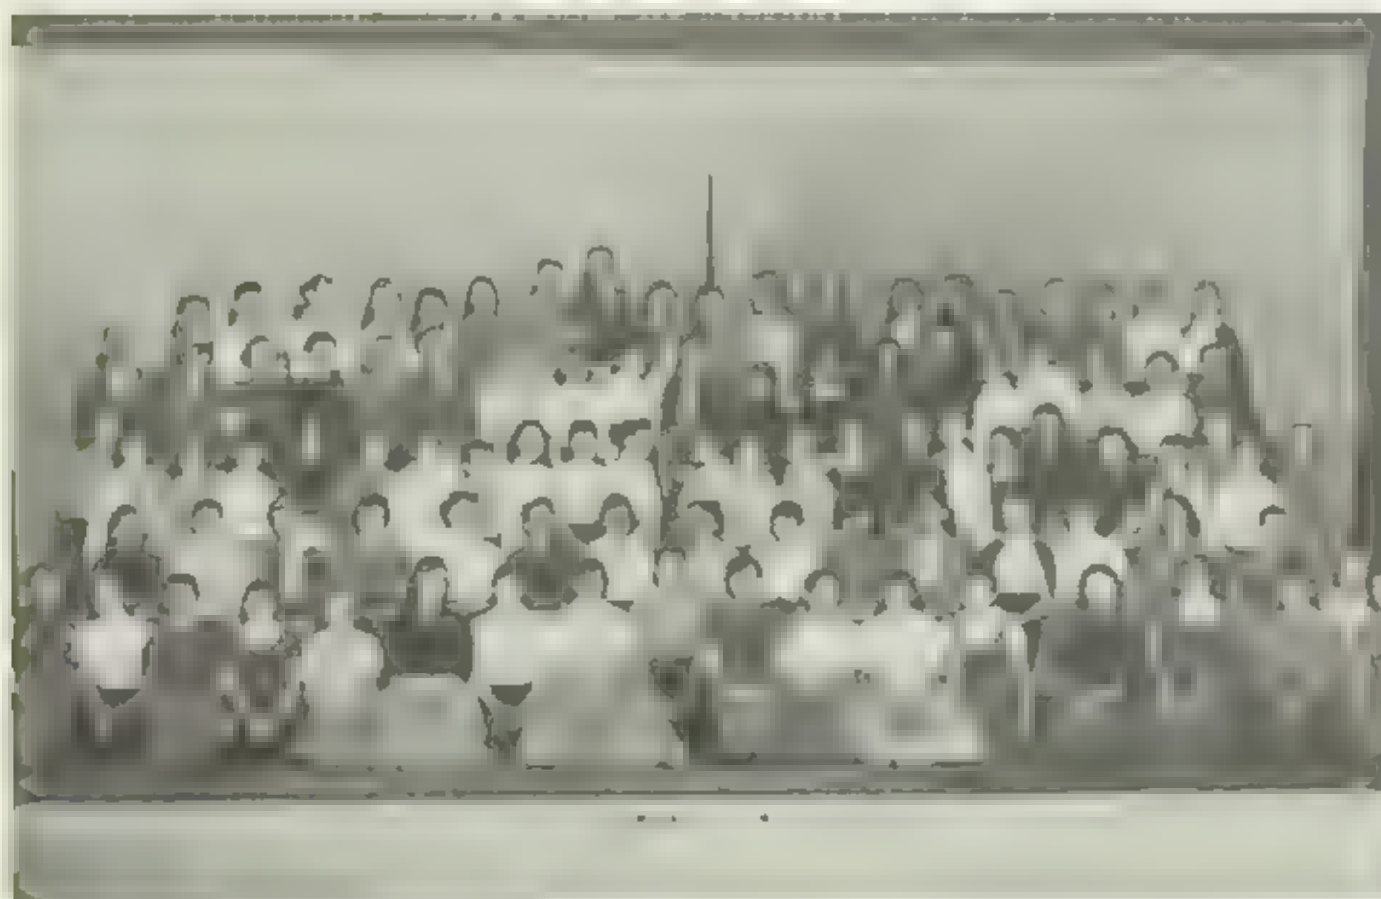

World Friendship Club

Existing to promote knowledge of the different countries throughout the world, the World Friendship Club brings to GHS slides and movies of different countries and foreign exchange students to describe the life in their native lands. Mary Hicks, President first semester, Steve Salyer, President second semester, and Mr. Greenwood, Advisor, arranged field trips for the club members to hear speeches and to see movies of interest

- 1 Junior Statesmen
- 2 Key Club
- Ham Club
- 4 World Friendship

Commerce Club

With the help of Mr. Livermore and Mrs. Cowles, club advisors, President I Joanie Wahl, and President II Janet Uhl planned a very active year. Movies shown on business administration, teachers from the Commerce Department at Glendale College speaking on several phases of Commerce, and a field trip were a few activities

60 Per Club

Recognized by Glendale Businessmen, the "60" Per Club proves an advantage to those who are able to type at this speed and encourages others to bring up their typing standards. This typing club makes up the spring typing exams, supervised by Mr. Steele. The club awards special honors and scholarships to those able to pass all requirements.

Clubs In Action

A Cappella

Mens' Glee

A large group of students gathered in the school auditorium for a singing contest with their fellow students. At George College the singing with the Hallelujah chorus was a tradition of the school. In the song competition singing was another of their sports. Mr. Kay was the judge. At right A Cappella at one of their singing moments.

Choralettes

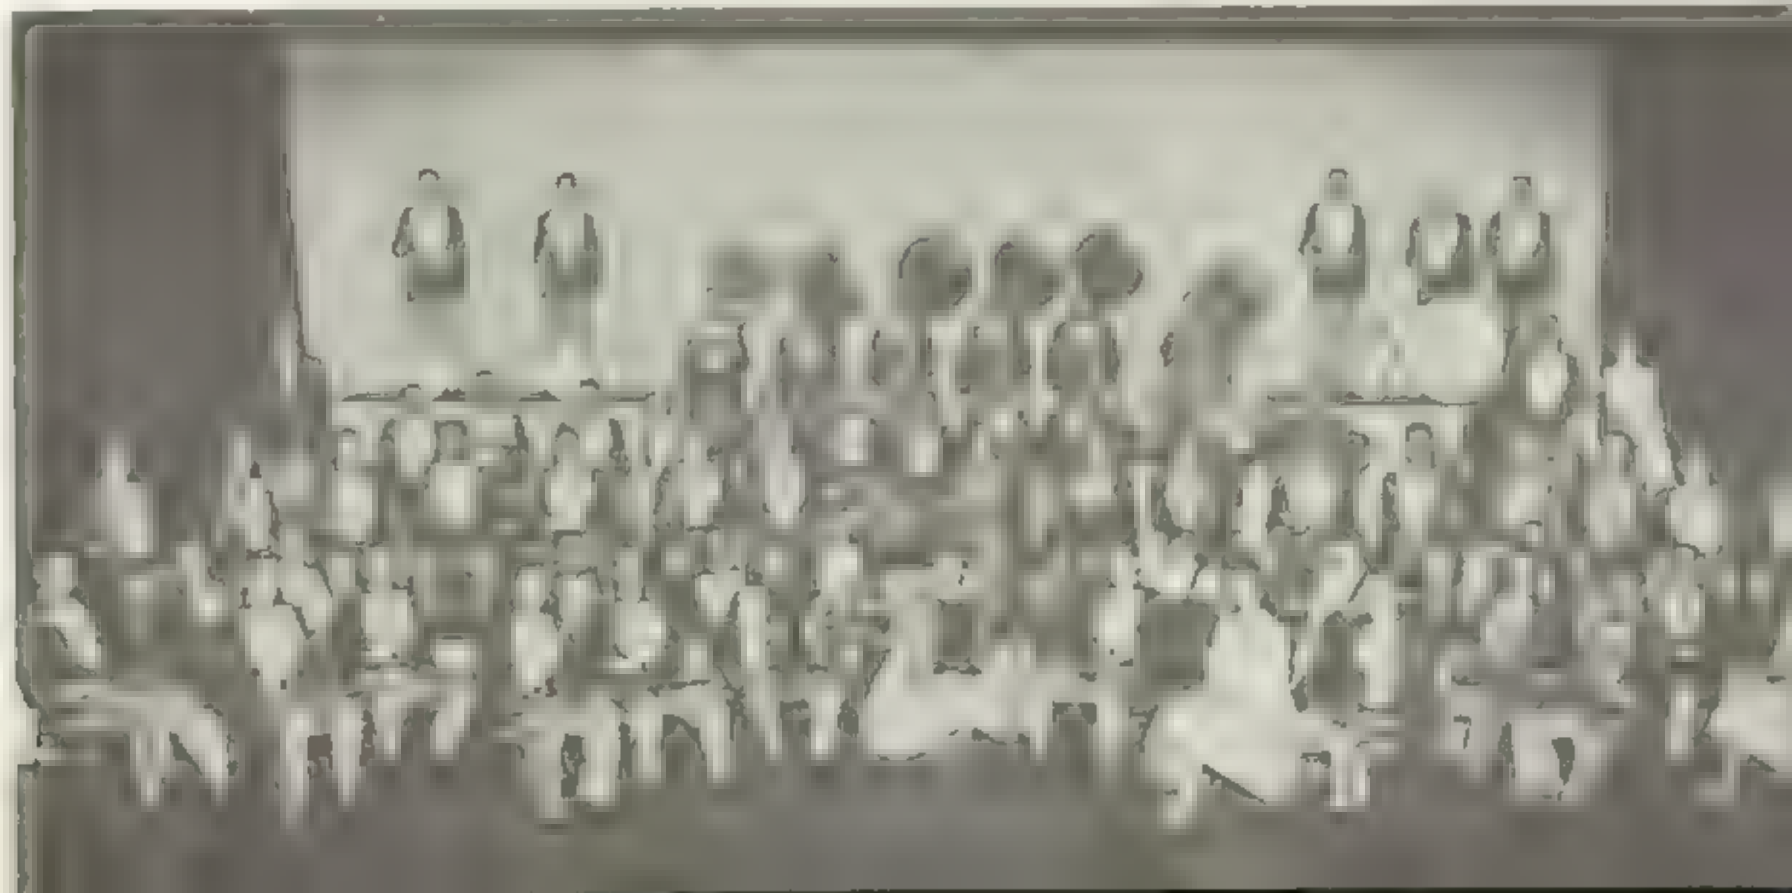

Girls' Glee

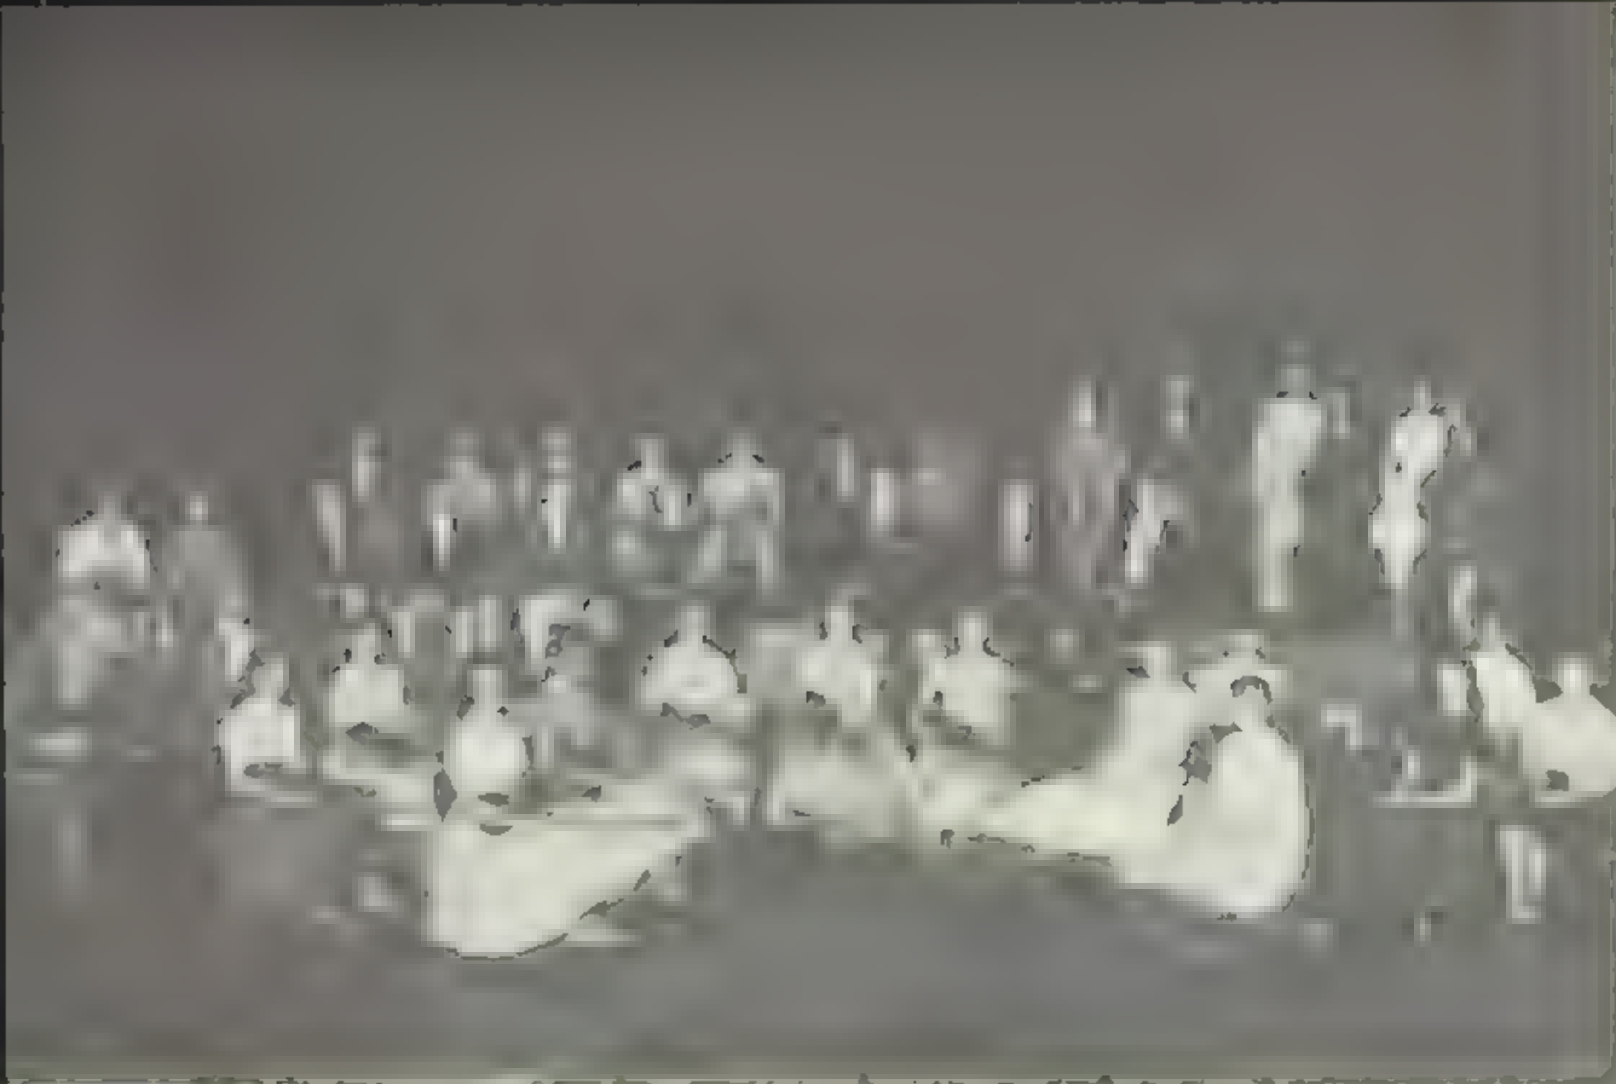

As a steering force of the Glee Club, the Girls' Glee learn the basic fundamentals of group singing like the Soprano, Alto, Tenor, and Bass. It is a group that participates in the Spring Program and several other events throughout the year.

Glendale High Band

Participating in the District and Valley's parade was one of the highlights of our GHS Band for this year. Other activities include playing at the football games, competing in district and state contests, and participating in community events. The Band also performed at the football games while cheering on the cheering crowds.

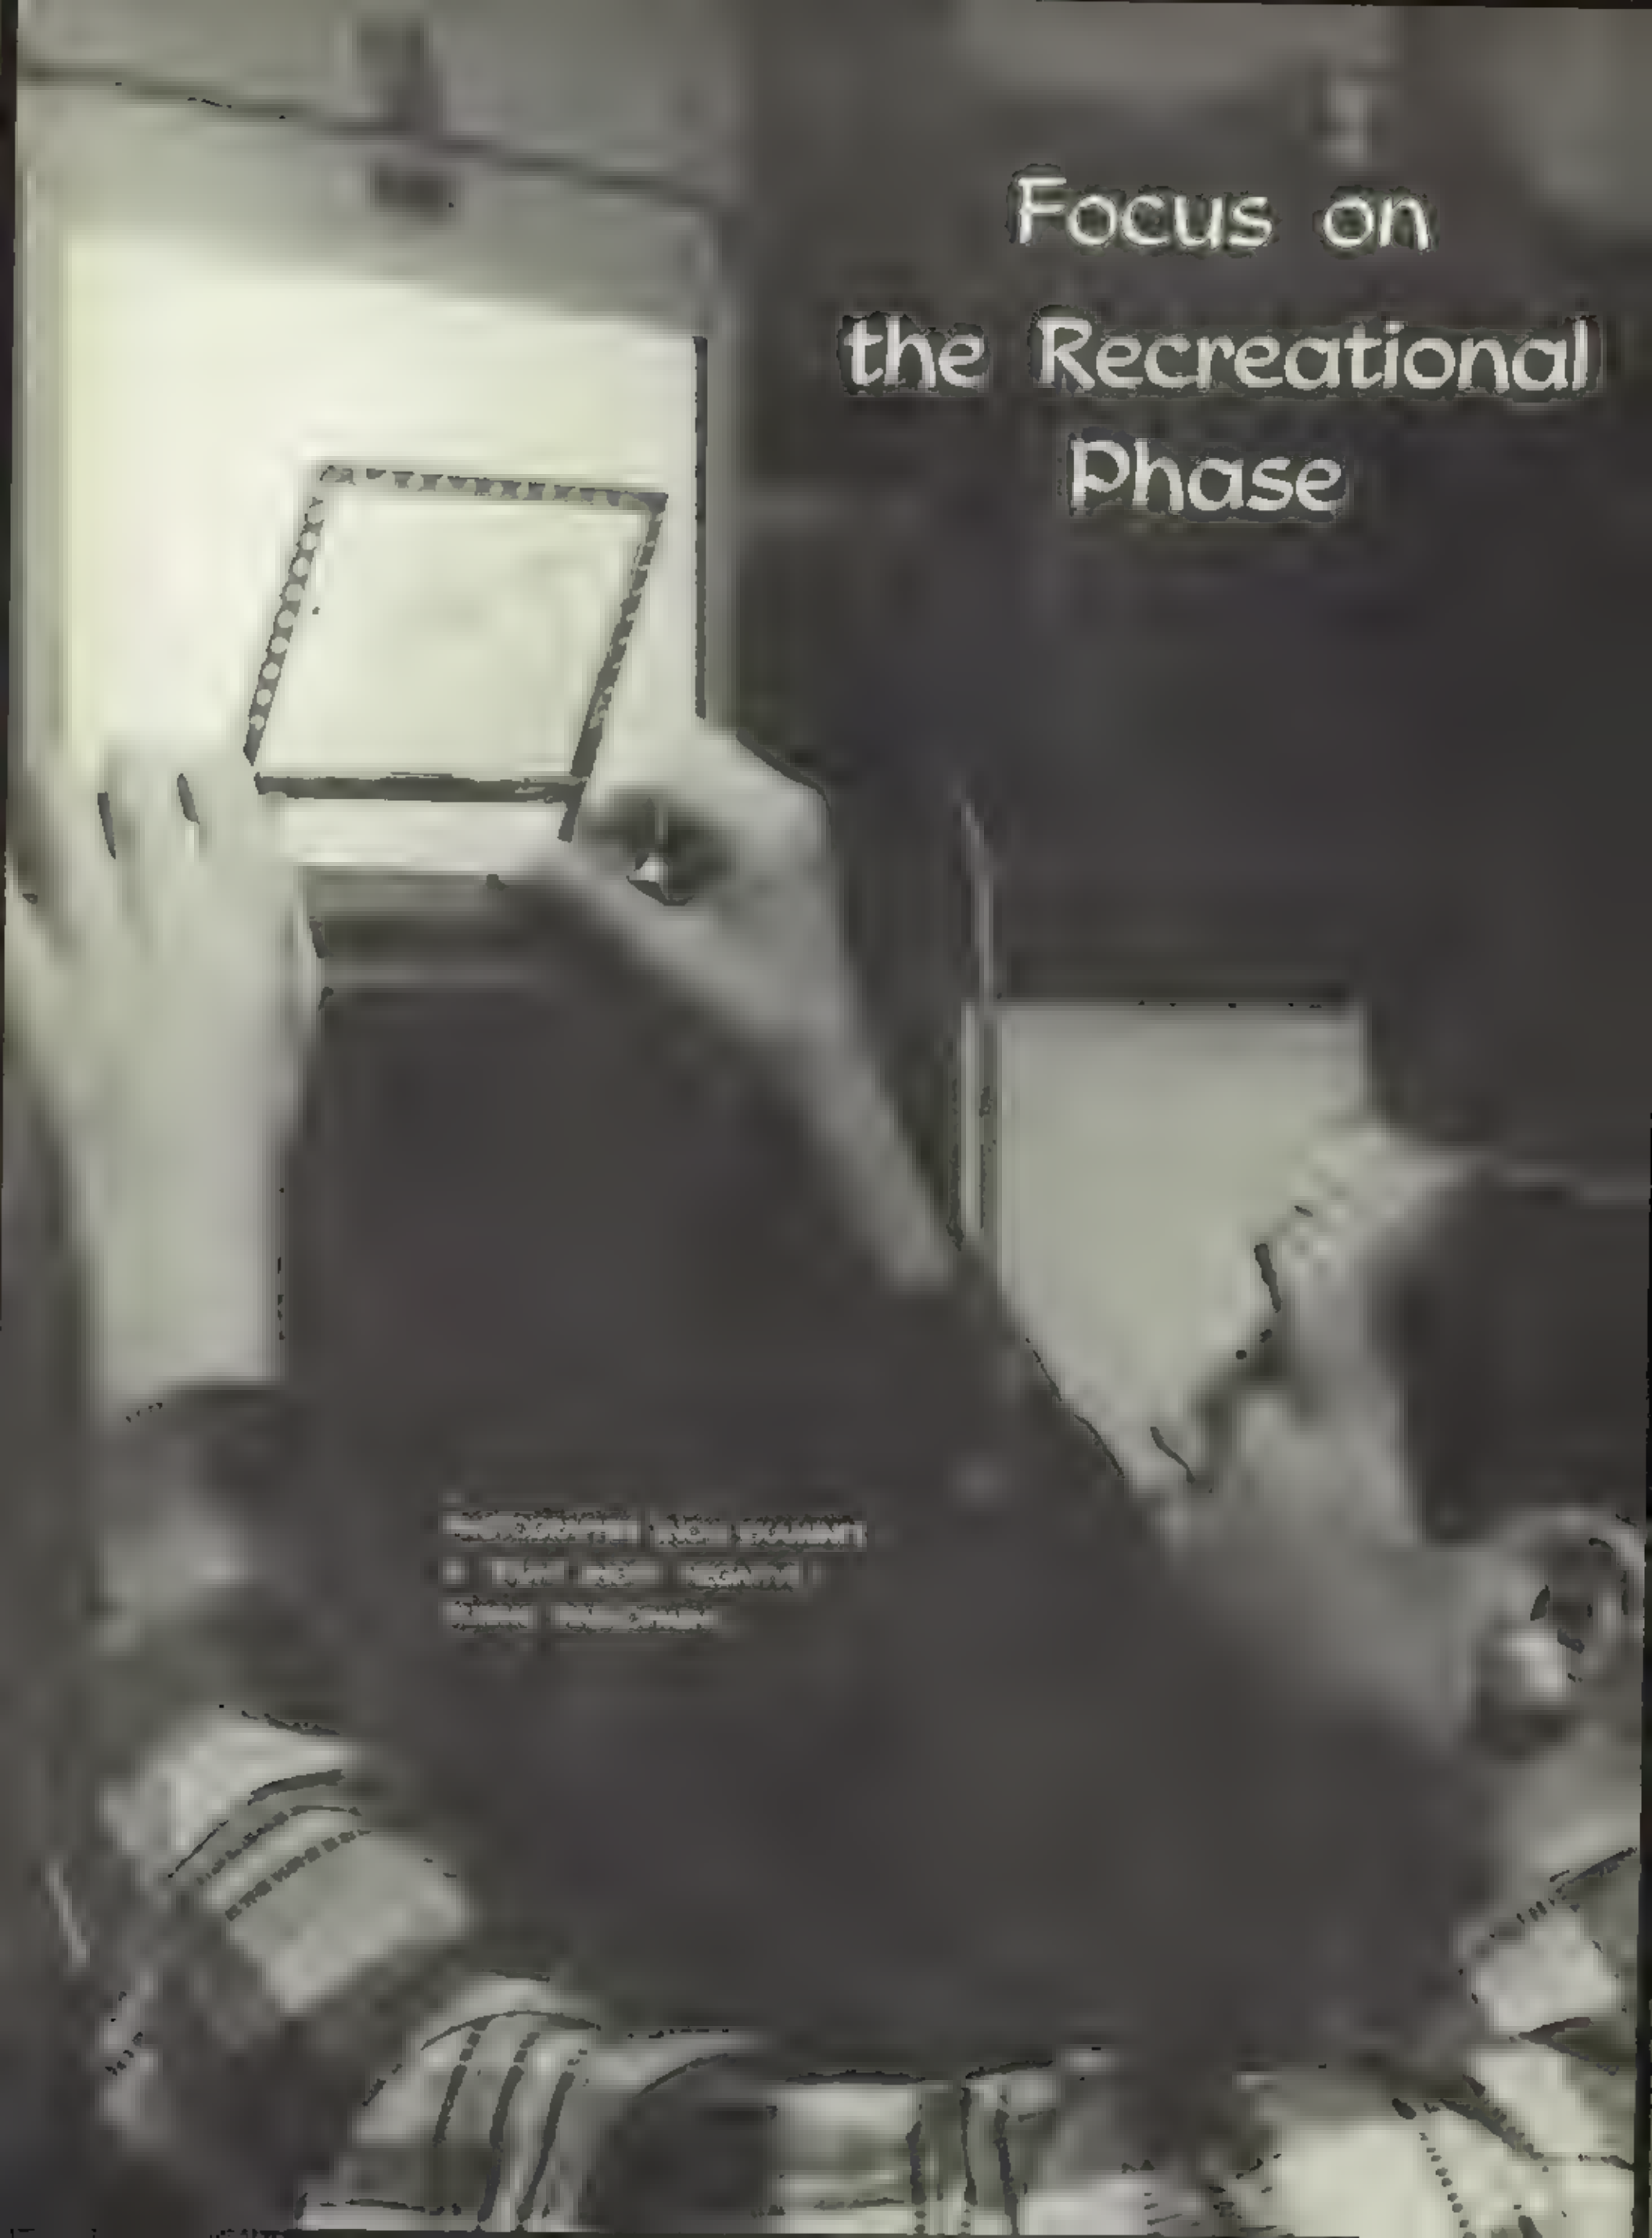

Members of the Symphonettes, the advanced orchestra, are chosen from the best musicians at GHS by Mr. Edward Bazer, director. Aside from presenting their annual Symphonette Concert, they attended the State Regional Music Festival.

Symphonettes

Sophomore Chorus

While learning the fundamentals of singing and sight-reading, the Sophomore Chorus, instructed by Miss N. L. Pritchard, participated in the Spring Program. From this group they will go into advanced singing groups.

COMPLETE SILENCE PREVAILS The 49th annual Oratorical is under way. Each class nervously awaits the judges' decision in the three divisions: speech, spirit, and the tableau. Speaking for the Junior Class with the winning speech, "The Four Freedoms," was Bill Dawson. Leading the Juniors on to victory in the spirit were song and yell leaders Sharon Whitley and Bob Johnson. "The Torch of Freedom," Senior Ron White's speech, was well depicted in the winning Senior tableau. Sharon Hudson and Irving Beasley led the Seniors in songs and yells. Sophomore Sue Williams' speech was entitled "I Shall Not Sleep." Songs and yells were led by Mike Pierce and Pat Prata.

"DEAR DADDY," theme of this year's annual Dad-Daughter Banquet, was presented by the Girls' League Board. After the delicious dinner, contests were held and prizes given to the tallest daddy, shortest daddy, and the dad and daughter that resembled each other most. The winners! Tallest daddy — William Morrison, six foot three. Shortest daddy — Mr. Meyers, father of Ester Meyers, five foot three; and dad and daughter that look most alike — Dr. Vincent D Arc and his daughter Christine. The dance, held in the Green Room, was the conclusion of a perfect evening. Dads demonstrated the dancing of their high school days and even attempted the modern teen-age "bop."

and Pep Council

GARRY MOORE, President II; SAMMY MENDOLA, President I; MR. AIDO BJONAGU DO, Faculty Advisor II; MR. WILLIAM MURPHY, Faculty Advisor (not pictured)

A new arrangement of the Pep Council was presented to GHS this year. Each homeroom elected a representative who attended all of the Pep Council meetings and reported them to his homeroom. This assured a more democratic procedure than previously. The purpose of the Pep Council is to promote spirit among the students throughout the school. One of the ways they accomplished this was to sponsor many pep assemblies. As a result, school spirit was high and a large crowd attended our school games.

PEP COUNCIL I

As the first days of the school year began, the Pep Council, under the leadership of President Sammy Mendola, started its yearly activities by liming the "G". During the football season they were responsible for passing out the song sheets and programs and were in charge of the card stunts.

Although the 1956 Glendale High Dynamiters did not meet the pre-season predictions, they finished the season with a six-won and four-lost record and provided Glendale fans with many exciting moments. The Nitros finished third in the Foothill League behind Burroughs and Burbank.

Favored to repeat for the Foothill League championship the Dynos ran into a fired-up El Monte team in the first game and were upset, 13-6. The following week Glendale defeated the highly touted Alhambra Moors, 19-6. The Dynamiters overpowering single-wing attack began to click as they downed Franklin and California by scores of 25-6 and 26-7. In the league opener Glendale met the Burroughs Indians and the Dynos went down by a 19-6 score. In the next game the Burbank Bulldogs, who went on to win the championship, scored on a last-minute pass to win, 12-7. With most of the pressure off, Glendale rolled over the Pasadena teams Muir and Pasadena, by scores of 26-13 and 46-6. The Dynos closed out the season by defeating the rival Hoover Tornadoes, 20-12.

Spark'ing the Dynamiters all season was All-CIF tailback Gordon Hess, who led the Foothill League in total yardage. Bill Cleves, Phil Vonk, and Tom Paton also received All-Foothill League honors.

This year marked the first time that the J.V. team played a full schedule of games and received letters. Coached by Gene Haas and Wayne Sink, they met all teams in the Foothill League except Hoover and Pasadena, and boasted of wins over Alhambra, California, Muir, Burbank, and Burroughs. Tailback Tim Bice was chosen as Most Valuable Player.

As the 1956 season approached, Coach Leo Arranaga faced a tremendous rebuilding job. With only three lettermen returning, the Blasters faced a long, tough schedule with an inexperienced squad. It took Glendale four games to break into the win column, although in the second game they came within one yard of tying Alhambra. The B team's first victory came against California by a 19-6 score. They followed it up with a 19-13 win over Burroughs in the first league game, but hopes of a championship were stifled by successive losses to Burbank and Muir. They came back with an encouraging 43-6 win over Pasadena. Knowing that a victory over Hoover would turn a fair season into a good one, the Blasters jumped off to a quick 12-0 lead in the first quarter, but were finally overcome by a stronger Hoover squad. It was later revealed that Hoover had competed with ineligible players. Glendale was given the win by forfeit, ending the season with a four won and five lost record.

With a win and loss record of five victories and five defeats, the Dynamos came out in a tie for third place in the Foothill League with John Muir. Despite their mediocre record in league standings, the Dynos can boast of a series sweep with the rival Hoover Tornadoes. In addition, Nitro center and Most Valuable Player Al Simila accumulated 154 points in ten league games, giving him the top spot on the league scoring list. Dave McCrory, Ron Smith, and Darrell received All-League Honorable Mention.

In the practice tilts the Dynos won eleven and lost seven. They were beaten in the finals of the Burbank Tournament by Notre Dame, and in the Edgewood Active Tournament they won consolation honors.

McElroy to cover on Bob Parker's jump shot

McElroy and Captain Dick Mainland

Entering the 1956-57 season on the crest of two consecutive league championships, the Blaslers started off this year with a big bang. Under Coach McElroy they won nine of the first ten games, losing only to Hoover in the first round of the Football League B Tournament. As the league game started the Blaslers seemed to cool off and only won four of ten. They had a lot of bad luck, losing a one-point overtime game to Hoover and several other close ones.

Varsity Track

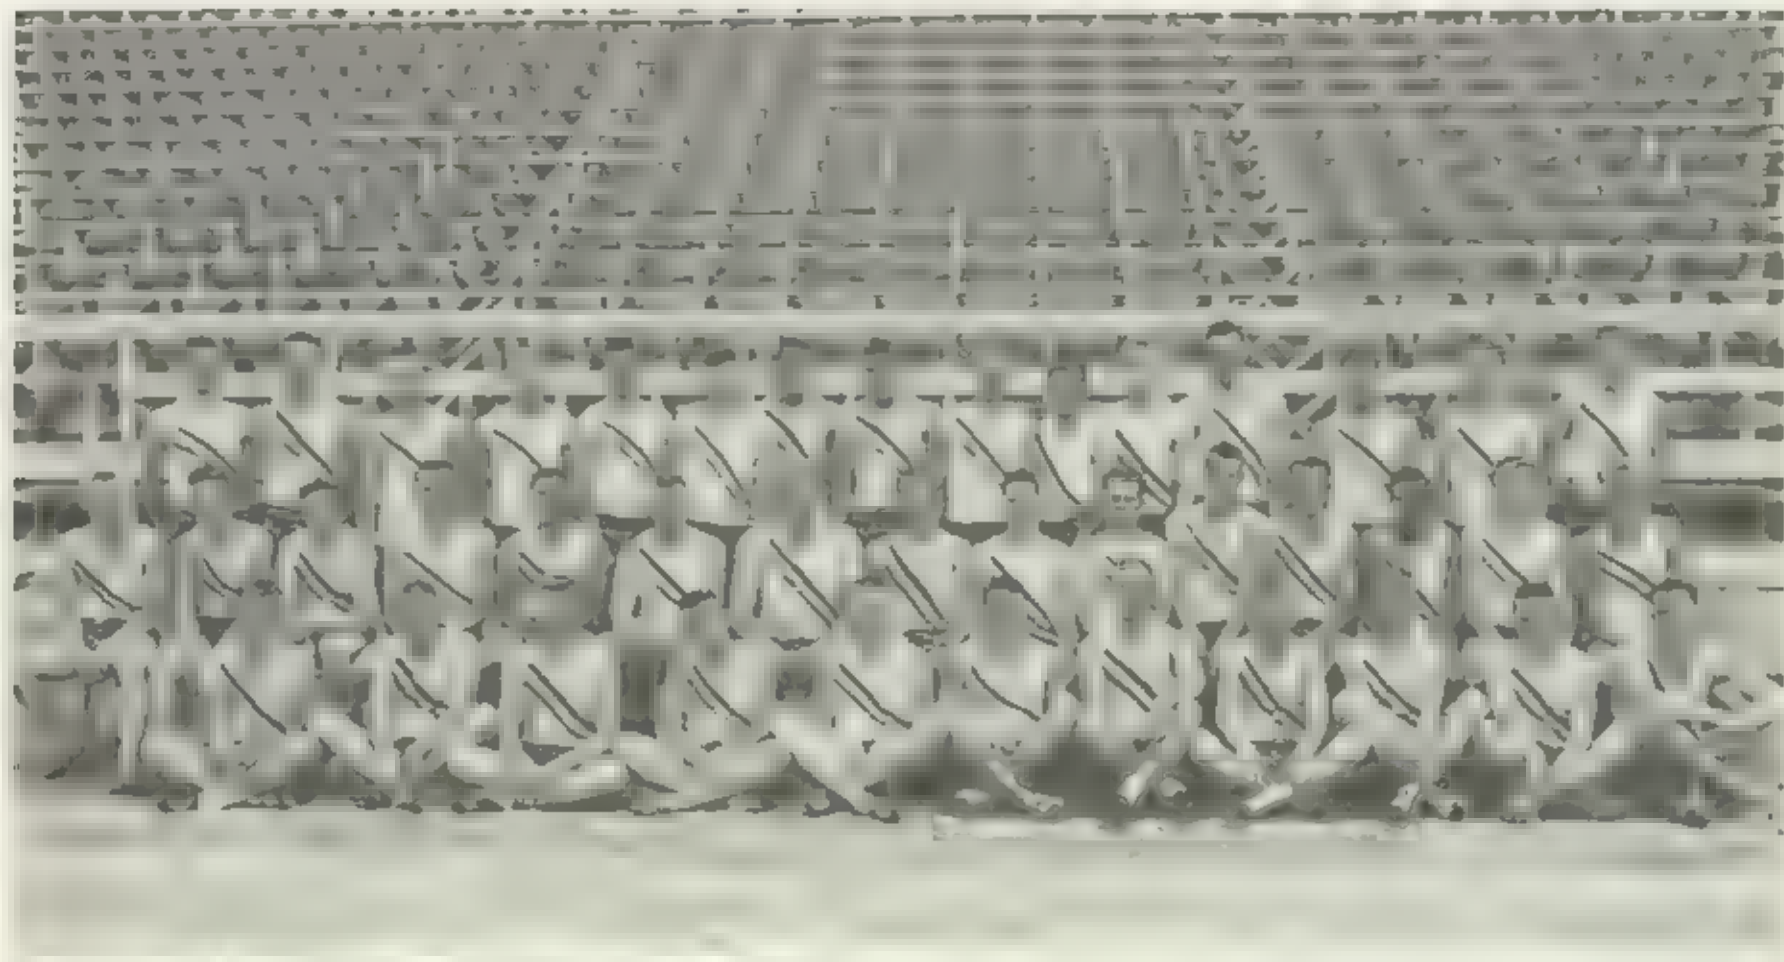

Throughout the season this year's Nitro track squad has performed in the tradition of past Glendale teams. With an impressive win in the Pasadena Relays and no defeats so far, only Hoover stands between the Dynos and a dual meet championship. The official league champions are chosen at the league finals and Glendale should be favored to win. Outstanding this year has been Bill Cleves who is now ranked among the three top shot-putters in the CIF. The 880 yard relay team composed of Overholser, Junod, Engler and Hess, has set a new school record and has the best time in Southern California. Glendale can be very proud of its track team and its track coach, Lon Graf.

Gary Warner, the B's top broad jumper, leaps a Burroughs.

The B's record this year has been practically a carbon copy of the Varsity's. With a first place in the Pasadena Relays and an unblemished record, they are looking ahead to the Hoover meet. Pat Meagher has been tossing the shot around fifty-six feet all season, and with Doug Hoff in the sprints, Bob Johnson pole-vaulting, and the relay team setting a new school record, this team could be one to reckon with in the CIF finals.

Following the example set for them by the Varsity and B teams, the Firecrackers have compiled an outstanding record this year. The Firecrackers are now looking ahead to the league finals, hoping to duplicate the fine record of last year's team.

Dave Bowers takes a high pitch

This year's baseball squad has been one which has suffered from bad breaks and inexperience. They have come along slowly under Coach Teachout and are still improving, but a lack of hitting and a pitching staff composed entirely of sophomores and juniors has held them back. With two rounds of the schedule remaining the Nitros are hoping to improve their record.

J. V. Baseball

This year's J.V. team has been a very exciting one to watch. It features an excess of hitting power and a well-balanced squad. If the pitching matches up to the hitting this team could be a contender for the championship.

The J.V.'s won their first league game from Murr.

Coach Graf produced another successful Cross Country team this season. The Dynamiters won their third consecutive league title, undefeated in both Varsity and J.V. divisions. Dell Aldrich was chosen as Most Valuable Runner.

Coach Graf talks over the meat with Morris Brown and Claire Rawns.

The Tennis Team's captains were Chuck Hitchcock and Dick Mainland.

This year's tennis team is on its way to the Foothill League championship under Coach Haas. They are currently leading the league and no other team looks strong enough to unseat them. Wayne Collett, a sophomore, has paced the Nitros this season and will be back for two more years.

Swimming

Swimming has come to Glendale High with a bang (or maybe a splash). Competing in their own pool for the first time, the Varsity squad took the league championship while the Bees gained a respectable third. Since there was no C division in league competition several Varsity and B swimmers will be moved down for the finals, where Coach DeMandel's teams are expected to represent Glendale in the same fine way they did all season.

Reserve Officers

Training this year's cadets in military skills are: Major Henry Jordan, Master Sergeant James Rupert, and Sergeant George Lee.

This year's ROTC Unit, under the supervision of Master Sergeant James K. Rupert, is one of the largest and best ever to attend Glendale High. The unit's quality may be seen in the many different awards it has won throughout the year. The purpose of the Junior ROTC is to better prepare young men, not only for the military life that may lie ahead of them, but also for the civilian life they must lead in the following years.

The purpose of the GAA is to develop physical efficiency, encourage interest in athletic activities, and promote good sportsmanship and a spirit of co-operation. First semester president, competent Charlene Cobb, and her GAA Board planned many activities including playdays and afterschool sports competitions in which the members could learn and display these qualities. At the end of the first semester the annual GAA Banquet was held in the school cafeteria. The candlelight installation ceremony for the incoming officers was presented at the Banquet. Awards were also given to many girls.

The second semester Board, led by enthusiastic and capable president, Joan Wahl, planned many activities, among them frequent playdays. A playday is inter-school competition in various sports, stressing good sportsmanship along with playing ability. GHS was host to the various schools on April 11 with a "Martian Madness" theme and attended two other playdays. Besides these activities President Joan Wahl and five other members of the Board attended the Girls Athletic Federation Conference at the Beverly Hills High School where they heard lectures on various sports, among them golf, tennis, and badminton. To climax the season, a Spring Tea was held in the library where the officers for next year were installed.
